BATHROOM WELLNESS

**It is not about  
the shaping of a fitting.  
It is about the shaping  
of water.**

STYLE ON TAPS

ENDURING QUALITY  
SUPERIOR CRAFTSMANSHIP  
TIMELESS STYLE

Our vision lays the platform for innovation and your feedback serves as proving grounds for us to re-create excellence on new terms. The results are our new ranges created with processes that combine the value of design with the charm of craftsmanship.

What makes NMP a relevant and trusted company today is its dynamic capability to evolve with changing decor aesthetics over the years. It understands its consumers, and in return, its patrons trust NMP to offer the best bath fittings and accessories products in India.

Whether it's style, quality or technological brilliance, NMP determined pursuit of delivering excellence has placed the brand in an illustrious bracket. We believed in staying ahead of time – creating trends instead of simply following them, constantly innovating. We are a complete decor solutions provider and understand the evolving needs of customers and the dynamic trends in the market. Our high quality craftsmanship, ground-breaking style and focus on innovation remains unparalleled in the industry. This is testified by our expertise in everything encompassing the domain of bath faucets and accessories.

## CONSUMER GUIDELINES

- Clean the tank thoroughly before the supply starts. It is suggested that the overhead tank must be cleaned at regular interval to avoid deposition of solid particles.
- Always ensure that the outlet pipe in overhead tank is at least 6" above the ground level of the tank. To avoid flow of waste and other solid particles into the pipe line.
- Clean the fittings regularly with normal soap or chalk powder to remove stains/scaling. Do not use strong detergent as this may cause damage to the chromium finish provided in all products.
- Do not use harsh cleaning agents containing abrasives and acids, instead use a soft sponge or wet cloth with soapy water / diluted vinegar to protect the colour coated finish.
- To protect the fine finish of fittings from dirt stains and other damages, cover them with cloth / polypack after their installation till they come in actual use.
- Please buy product from company's authorised dealers only to ensure genuine quality material.
- Insist on genuine spares from company's authorised dealers in case of any repair or replacement.
- Look for seal on all NMP products.
- For any type of technical or service assistance, please contact the nearest authorised dealer.
- Damage to the product or any parts due to transportation or shifting is not covered by warranty.
- Damage of any product or parts thereof due to any of the following causes will not be covered under this warranty.
  - a) User's or it's agent's misuse, negligence, accident or faulty installation.
  - b) Improper maintenance of the product.
  - c) Dirt, Lime-scale or aggressive cleaning chemicals.
  - d) Unauthorized alterations to the products.
  - e) Normal wear & tear.
- The warranty doesn't cover components like Washer, Rubber, Springs and other Plastic items.

## ABOVE RATES ARE PER PIECE Terms and Conditions

- Goods once sold will not be taken back or exchanged.
- All rates are subject to change without prior notice.
- All Taxes are extra as Applicable .
- Prices are F. O. R. Delhi.
- All disputes will be settled at Delhi Jurisdiction.
- We are not responsible for any loss or damages in transit.
- This list cancel all our previous price list.
- Any warranty claim should accompany a proper invoice, clearly indicating the source & date of purchase.
